About Gala Tent

Founded in South Yorkshire in 1999, Gala Tent has grown to become the UK's leading retailer of event shelter. From marquees and pop-up gazebos to inflatable structures and bespoke designs, our products are trusted by professionals in hospitality, retail, motorsport, and events across the country.

Designed with purpose

Every structure in our range is developed by our in-house engineers using customer feedback, refined to balance strength, flexibility, and value. It's why Gala Tent shelters are relied upon by thousands of businesses and organisations, from independent traders to global brands.

Trusted by leading names

We are proud suppliers to some of the world's best-known organisations. Our reach extends across Europe, with long-standing clients in Ireland, Spain, The Netherlands, and Malta. Wherever events take place, Gala Tent structures are in use.

Why choose Gala Tent?

ISO 9001 certified
for quality assurance

The UK's widest range
of event shelters

Industry-leading
warranties

Next-day UK delivery
on most products

1999

From humble beginnings

Borne out of a need to supply a gazebo for his parents' Y2K celebrations and unable find any available to hire, he purchased a single gazebo and found a gap in the market, and so Millennium Marquees was founded to supply marquees for hire.

2000

Room for growth

Having established a successful hire company, Jason saw an opportunity to supply premium quality gazebos direct to the consumer, and so, now partnered with Mark Thompson, and with Andy Scott on board, Gala Tent was in business.

2000

Building a presence online

Gala Tent's first online shop opens on Ebay.

2003

A growing success

Gala Tent's first official premises, a 7,500 sq ft warehouse was purchased to keep up with increasing demand.

2006

A marketplace icon

The Gala Shade pop-up gazebo was launched and became a regular fixture on the high street.

2011

Hard work pays off

Gala Tent relocates its main office to a new 60,000 sq ft distribution hub and is awarded Business Growth of the Year.

2014

Technological innovation

Gala Tent develop SOTPay, a unique fraud prevention system for efficiently processing customer payments. SOTPay goes on to win numerous digital security awards and its success leads to the formation of sister company, Gala Technology.

2020

The pandemic

The nationwide lockdown meant Gala Tent products were essential for maintaining day to day activities.

2024

Gala Tent reaches a milestone

Gala Tent celebrates being in business for 25 years.

Marquees

For over 20 years, Gala Tent marquees have set the standard for strength, versatility, and value across the UK events industry. From intimate garden parties to large commercial events, our marquees feature robust steel frames, fire-rated covers, and modular designs that adapt to any space.

Structures that work as hard as you do

Whether you choose the budget-friendly Original PE, durable Elite PVC, expandable Fusion Modular system, or to make an impact with the fully brandable MQ65, every Gala Tent marquee is designed and built for ease of use, rapid installation, and lasting performance and with a full range of sizes, accessories, and spare parts available, your marquee stands the rigours of regular use.

Original PE Marquee

Affordable entry-level structure

- Georgian-style windows with roll-up blinds
- Full range of spare parts available

Marquee Accessories & Spare Parts

Every component of a Gala Tent marquee is available as a replacement — from canopies and sidewalls to frame sections and fixings — with most available for next-day delivery to keep your structure in top condition.

Heating
Clamp-on radiant heaters with 5m cable and 2m heating radius.

Lining
Fire-retardant satin linings for weddings, parties, and premium events.

Water Weights
Robust PVC bags, each filled bag holds up to 50kg.

Ground Bars
Galvanised steel bars add rigidity to the walls, for stability and a clean finish.

Ramps & Gutter Kits
Create seamless joins between marquees and reduce hazards.

Lighting
LED globe light strings (6 globes, 13.5m cable, warm glow).

Concrete Weights
40kg, 100kg, or 500kg options with carry handles and anchor points.

Ratchet Strap Kits
Heavy-duty straps with steel pegs to secure structures in high winds.

Vantage Pop-Up Marquee

The Gala Tent Vantage sets a new standard for professional event shelter. Engineered to deliver marquee-scale coverage with pop-up speed, it transforms a 6m x 6m footprint into a premium venue in minutes. Built with military-grade materials and precision engineering, Vantage combines strength, speed, and style in one modular system.

A Gala Tent Exclusive

Vantage is the UK's only 6m x 6m pop-up marquee, engineered from our flagship Pro 60 platform. Its nine aluminium peak poles create a distinctive Arabian-style roof, and it can stand alone or link seamlessly with other shelters for larger coverage. Built with military-grade materials, Vantage delivers rapid deployment without compromise — combining strength, speed, and style in a versatile modular system.

Frame Weight:	109kg
Standard Size:	6m (W) x 6m (L)
Legs:	8 x 60mm hexagonal aluminium legs
Poles:	9 x aluminium peak poles for Arabian marquee roof profile
Joints and Fixings:	Full profile aluminium
Assembly:	 + Persons
Pitch Time:	5–15 minutes
Extendable:	Connects to additional Vantage and Pro 60 models
Warranty:	5-year frame warranty
Colours Available:	 White  Taupe

Gala Shade Gazebos

The Gala Shade range of Gazebos is built for professionals who need strength and speed without compromise. Every model features a heavy-duty frame, fire-rated 600 denier canopies, and industry-leading warranties, making them a trusted choice across markets, hospitality, motorsport, and events of every scale.

Highly versatile and fully adaptable

From the portable Compact to the heavy-duty Pro 60, there's a Gala Shade for every application. With next-day spares, a full range of accessories, and custom branding options, these gazebos are designed to work hard, look professional, and deliver reliability event after event.

Hexagonal legs

The hexagonal shape of the legs offers greater stability and the weight reduction of aluminium means it's portable.

Aluminium frame

Cut from a single piece, profile aluminium avoids air bubbles or cracks common in cast metal, ensuring strength and durability.

Waterproof

The 600 denier PVC coated polyester has a hydrostatic rating of 6000mm.

Quick release sliders

Hammer tested nylon or profile aluminium joints and sliders ensure durability.

Gazebo Accessories & Spare Parts

Accidents happen — but every Gala Shade component can be replaced individually. Whether it’s a canopy, sidewall, joint, or complete frame, our spares are stocked and ready to ship next working day, so your business never misses an event.

Ground Bars
Add stability, keeping legs square and reducing canopy strain.

Strengthening Bars
Steel bars used with half walls for rigidity and trade stand set-ups.

Ratchet Kits
Heavy-duty tie-down straps with steel pegs for secure anchoring.

Leg Weights
Options include stackable 13kg cast iron feet or fillable bags.

Trolley Wheels
Clip-on wheels for easier solo transport and setup.

Sunshade Awning
Extends canopy coverage for extra shelter and customer protection.

Sidewalls
Full sets with window, door, and blank panels; attach with heavy-duty Velcro and zips.

Half Walls & Linking Panels
Create trade counters or connect multiple gazebos seamlessly.

INFL8 Event Shelters

The Gala Tent INFL8 is a bold, portable alternative to traditional framed structures. Built around an inflatable air-tube system, it sets up in minutes with no poles or tools, giving you a striking and practical shelter that's easy to transport, store, and redeploy at a moment's notice.

INFL8 Dome 6x6

INFL8 Dome Tent

Each INFL8 comes with a full-colour printed canopy and a detachable awning as standard, giving you high-impact branding and extra cover. Optional sidewalls and modular linking kits allow you to adapt the shelter to any setting — from sports events and festivals to brand activations and hospitality.

- Premium Dacron canopy with full-colour dye-sublimation print
- Detachable printed sunshade awning included as standard
- Optional sidewalls available
- Rapid setup with supplied 800w electric pump
- Packs into a compact transport bag for easy travel
- Modular linking kits for scalable coverage
- Inflatable frame system – no poles, no hassle

Sizes available: 3m x 3m, 4m x 4m, 5m x 5m, 6m x 6m

INFL8 Arch

Whether it's marking the start/finish line of a race, welcoming guests, or creating a bold entry point for a brand activation. Built from the same rugged inflatable system as the shelters, it inflates quickly, travels light, and offers huge branding potential across its surface.

	Club	Sprint	Sprint	Elite	Elite
Size:	6mx4m	6mx4m	8mx4.6m	8mx4.8m	12mx4.8m
Diameter:	60cm	80cm	80cm	90cm	90cm

Pit Perch Pop-Up Kiosk

The Gala Tent Pit Perch Pop-Up Kiosk is a portable, modular shelter designed for quick setup and professional presentation. Compact yet versatile, it's ideal for use as an information point, retail unit, catering pay station, or event control hub. Built on the same heavy-duty framework as our professional structures, it delivers strength, durability, and a smart branded finish.

- Compact footprint with full-height canopy and walls
- Heavy-duty aluminium frame with reinforced joints
- PVC covers available plain or fully printed
- Front counter for serving, retail, or ticketing
- Quick to assemble and dismantle — no specialist tools needed
- Packs into a wheeled storage bag for easy transport
- Suitable for exhibitions, markets, festivals, and sports venues

Custom Shelters

When standard won't do, Gala Tent delivers bespoke solutions — from yurts and domes to stretch tents, dining pods, and modular builds. Crafted with premium materials and precision, our custom shelters suit any setting, from intimate dining to large-scale events and industrial spaces. Choose the style, size, and finish — we'll make it happen.

Geodesic Dome

Geodesic domes are a popular choice for glamping shelters thanks to their blend of style, functionality, and practicality.

- Steel/aluminium framework with transparent or opaque cover options
- Custom sizes and layouts for glamping, exhibitions, or brand experiences
- Striking, stable architectural design

Custom Shelters

Mongolian Yurts

A Gala Tent glamping yurt adds a unique guest retreat to your garden, or simply a new way of reconnecting to the great outdoors.

- Traditional round design with aluminium and bamboo frame
- Multi-layered insulation and waterproof PVC outer cover
- Glass and aluminium window and timber door

Sizes available: 5.1m, 6.2m, 8m

Stretch Tents

Architectural canopies that are designed for venues large and small. The stretchy fabric can be adjusted to fit your event's layout.

- Flexible, weather-resistant fabric canopy
- Adaptable to irregular ground and creative layouts

Colours: ● Red ● Orange ● Blue ● Green ● Clear ○ White ● Black

Sizes: 6m x 12m, 9m x 5m, 9m x 12m, 9m x 15m, 12m x 12m, 12m x 15m, 12m x 18m, 13.5m x 4m, 15m x 3m, 18m x 30m, 20m x 15m, 25m x 4m

Capri Tents

Stylish, modern look for festivals, weddings, parties and hospitality. Add optional sidewalls for further protection from the weather.

- Flexible layout — use solo or link tents for more coverage
- Quick assembly with fewer poles than traditional marquees
- Curved peaks and open sides but optional sidewalls can be added

Sizes available: 9m x 12m

Alfresco Dining Pods

Maximise your outdoor space and enhance your customers' dining experience with unique, all-weather polycarbonate dining pods.

- Transparent polycarbonate domes with thermal protection
- Add a Sunshade System for sunny days or LED lighting for the evening
- Includes all accessories for easy installation

Sizes available: 2.5m, 3m, 4m, 6m

Branding & Printing

Bring your shelter to life with bold, professional branding. From printed gazebos and marquees to banners, flags, and café barriers, Gala Tent delivers complete in-house print solutions with fast turnaround, vivid colours, and durable finishes.

Printed Gazebos & Marquees

Enhance brand visibility with custom-printed, machine-washable covers and fully configurable gazebo walls.

- Full-colour dye-sublimation printing for canopies, valances, and walls
- Vinyl heat-pressed logos for fast, cost-effective branding
- Waterproof, UV-stable, and fire-rated covers
- Customisable across all Gala Shade and marquee models

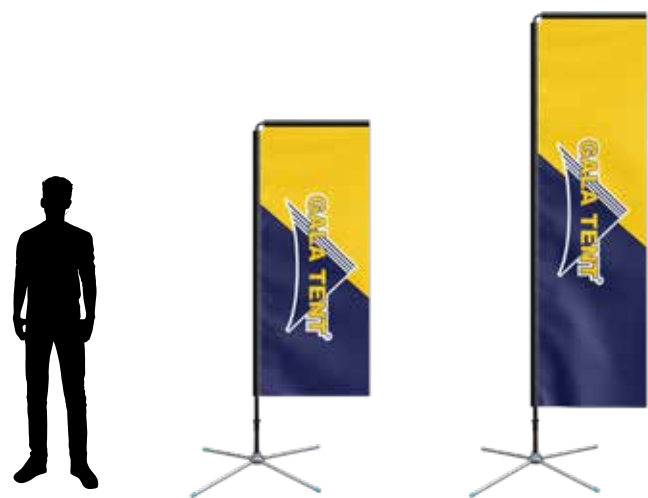

Valance Banner Wraps

A versatile enhancement to your shelter, these removable PVC banners provide both flexibility and immediate brand visibility.

- Durable and tear-resistant, with sewn hems and rust-proof eyelets
- Cost-effective branding option for existing Gala Shade frames
- Wraps securely around the valance — no canopy replacement needed
- Quick turnaround for seasonal or short-term campaign

Branding & Printing

2m Sail Flag

3m Sail Flag

Flags

Stand out from the crowd and make a memorable impression with a customised dye sublimated printed flag.

- Feather, teardrop, and rectangular styles available
- Full-colour dye-sublimation print on durable polyester
- Lightweight, portable, and supplied with ground or hard surface bases
- Ideal for drawing attention from a distance

A-Frame Banners

Elevate your outdoor promotions with sturdy, weatherproof A-frame signs that are customizable, foldable, and portable.

- Sturdy powder-coated steel frame with printed PVC banner
- Built for repeated outdoor use
- Suitable for events, forecourts, and roadside advertising
- Easy to assemble and transport

Star Shades

Striking star-shaped marquees with vibrant, full-colour canopies and ample area for branding and promotional graphics.

- Water resistant 500d Polyester/PVC fabric covers
- Fire retardant with a UV protection factor of SPF 50+
- Quick to pitch, supplied with anchoring kit
- Popular at festivals, brand activations, and outdoor hospitality

Branded Café Barriers

Enhance and protect your outdoor area with high-quality barriers that offer wind protection, clear boundaries, and a polished appearance.

- Powder-coated posts, weighted bases, and cross rails included
- Printed banners for high-visibility branding
- Perfect for defining outdoor spaces at hospitality venues or events
- Modular design — connect multiple units to expand coverage

Flooring Solutions

Gala Tent is the UK distributor of Swisstrax Modular Flooring, the world's premium interlocking floor tile system. Designed for speed, strength, and style, Swisstrax delivers a professional finish for event spaces, garages, trade stands, and hospitality areas. Easy to install without tools, each tile locks into place for a safe, slip-resistant surface.

Suitable for a multitude of events and venues

- Bars and restaurants
- Motor sport paddocks
- Garages & workshops
- Exhibition stands
- Trade shows
- Retail showrooms
- Display areas
- Home garages
- Gyms

Transform your floors with modular tiles that combine custom design with extreme performance and functionality.

Swisstrax Ribtrax

Vented design is self-draining and traps dust and grime for a clean, dry surface—ideal for outdoor events, paddocks, and workshops.

- Supports heavy loads, including vehicles and machinery
- 6-point locking design, can be combined with Smoothtrax

Size: 40cm(L) x 40cm(W) x 1.9cm(H)	Weight: 1.47 lbs
------------------------------------	------------------

Swisstrax Smoothtrax

The flat surface allows for movement of equipment, trolleys, and cases—ideal for trade shows, exhibition stands, and hospitality flooring.

- Temperature resistant -20°C to 120°C
- Integrates perfectly with all the Swisstrax tiles

Size: 40cm(L) x 40cm(W) x 1.6cm(H)	Weight: 1.25 lbs
